Courses are subject to closure for tournaments and maintenance. Refunds for golf due to inclement weather are only available should management make the decision to close the courses. Note that rain does not constitute cancellation of a golf event unless the golf course is determined to be unplayable and closed. In the event of inclement weather and the course is determined to be unplayable and closed, a full refund will be given if the group completes less than five holes. A 50% refund will be given if fewer than 12 holes are completed. A temporary delay, due to inclement weather, does not constitute a refund or rain check. Overseeding and aerification are standard maintenance procedures required to maintain the exceptional quality of our courses. Please check with your Event Manager for our current maintenance schedule. All golfers should be at the Pro Shop 30 minutes prior to tee time to check in.

Pro Shops
